

Enrolment Expression of Interest

Dear Carer,

Thank you for considering enrolling your child at Clarendon State School. Here is some further information about our school and the services we provide.

We are a small school, Prep to Year-6, of around 70 children positioned approximately 5 minutes west of Lowood.

Clarendon State School is Catchment Managed School, meaning, students living within our catchment are able to attend our school – new students who reside outside our catchment are welcome to apply and will be considered based on the vacancies available. You can check your address and school catchment here: www.qgso.qld.gov.au/maps/edmap/

If you would like to enrol your child at Clarendon State School, please complete the **Enrolment Expression of Interest** at: <https://survey.qed.qld.gov.au/n/azmhRQR> – one of our staff will then be in contact to provide you with an Enrolment Application. Your child's completed Enrolment Application will be reviewed and you will be contacted to further the enrolment process.

Prep children must be aged 5 years by 30 June in the year they start Prep - a Prep Age calculator can be found here: <https://earlychildhood.qld.gov.au/early-years/kindergarten/starting-kindy>

Clarendon also offers before and after school care (OSHC) for enrolled students – this is run on-site by our OSHC Coordinator.

We do offer a KindyLinQ program here at Clarendon for children turning 3 years by 30 June... this is a fantastic program giving kids (and parents) the support they need to successfully transition to Kindergarten: <https://clarendonss.eq.edu.au/calendar-and-news/news/kindylinq> Note: the nearest Kindergarten to our school is in Lowood, just a short 5 minute drive away.

Our school website is: <https://clarendonss.eq.edu.au/>

If you would like to know anything more about our great little school, please call us on 54278555 – we hope to see you and any potential Clarendon Kids at our school sometime soon.

Kind regards

Dave Noonan

Principal.
